- **VTAC SEAS and Scholarship applications** – throughout August and September

Bachelor of Health and Medical Science

*Do you want a career in health, but you are not sure which area is for you? Or are you looking for a foundation to further study in **medicine, pharmacy, allied health, epidemiology, dentistry, or research**? The [Bachelor of Health and Medical Science](#) from Charles Sturt University is the versatile qualification you need to meet your healthcare career goals. Whether you aspire to a health career that's supported by science or are in the health industry and wanting to upskill, this medical science degree will open doors.*

Course highlights are -

- ***Tailor your study***

Students can build their medical science degree to suit their interests and future career. They can choose electives from areas as diverse as nutrition, clinical chemistry, pathophysiology, microbiology, bacteriology, human reproduction, epidemiology, and law and ethics.

- ***Options, options, options***

Students can enjoy the flexibility to transfer or apply for entry into undergraduate or graduate-level health and allied health programs.

- ***The perfect platform for further study***

This medical science course gives student's a broad foundation and is the ideal preparation before applying for postgraduate study or research programs where they can delve deeper into a subject that they are passionate about.

- ***Study that works for your lifestyle***

Students can match study to their work and other commitments – choose to learn full-time or part-time.

Entry to the course requires an ATAR of 65.00, and successful completion of Year 12 English. Students are encouraged to watch this interesting [YouTube clip](#).

News from Monash University

➤ **Bachelor of Business Administration**

To keep up with strong industry needs, companies are looking for graduates with strong business administration skills to improve day-to-day operations. From bringing ideas to life to examining balance sheets, here's your chance to get a real- world understanding of the many factors that come together to make a business work.

Offered at the Peninsula Campus, the [Bachelor of Business Administration](#) is an opportunity to learn more about how different areas of business work together and how coordinating these functions can improve operations today and uncover new opportunities for tomorrow. Students get to dive deeper into insights and ideas that influence modern business administration and gain practical skills to drive positive progress.

In this course, students can choose from the following majors, extended majors and minors. Some are only available as minors, so click through to see the full details.

- [Accountancy](#)
- [Business administration studies](#)
- [Economics and business decisions](#)
- [Finance and economics](#)
- [Management practice](#)
- [Marketing and communications](#)

➤ **Master's Accelerated Pathway**

The Master's Accelerated Pathway allows you to complete a master's degree with one additional year of full-time study. This pathway is designed for high-achieving students who have the drive to deepen their expertise, fast-track their studies and stand out in their career.

The Monash Business School Master's Accelerated Pathway lets students **complete both their bachelor's degree and a master's degree in just four years** by enrolling in selected master's degree units in the final year of a bachelor's degree.

To be eligible, students must have:

- Completed at least 96 credit points of an eligible degree;
- Have achieved a high credit (65%) average; and
- Have four units (24 credit points) of their Free Elective Study available to complete 24 credit points of units from the master's degree they wish to study.

Eligible degrees are –

- Bachelor of Business
- Bachelor of Commerce
- Bachelor of Economics
- Bachelor of Actuarial Studies

The Federation University Co-operative Model

At Federation University, students don't wait until graduation to start building their resume.

As Australia's first Co-operative Uni, Federation gives students a head start on their career by embedding industry experience into every degree. Each course is shaped in partnership with employers to meet industry needs, now and into the future.

While on placement, students are mentored by industry professionals, contribute to real projects and build the kind of networks that open doors after graduation.

So, what does Co-op actually look like? Federation [Co-op undergraduate degrees](#) include:

- ✓ a minimum of 60 days (450 hours) of Co-op internship, counting towards course credit and graduation
- ✓ foundation workplace skills and core technical training, preparing students to be successful in their placements and future careers
- ✓ dedicated support to find the right placement, with career coaching to help students put their best foot forward

in 2025 alone, over 5,000 Federation students completed an industry placement, supported by over 1,000 Co-op employer partners. Some are paid; all give students the confidence to step straight into their career.

Browse [Federation's Co-operative Model](#) to find out more.

New Courses introduced in 2026

Swinburne introduced the following courses for the first time this year, and students keen on these areas of study are advised to browse the links provided to learn more.

- [Bachelor of Construction Management \(Honours\)](#)
- [Bachelor of Artificial Intelligence in Business](#)
- [Bachelor of Psychology and Cognitive Neuroscience](#)
- [Bachelor of Forensic Psychological Science](#)

Reminder: ACU Guarantee

ACU Guarantee early offer program is still open for 2026. Students can secure an early conditional offer for their preferred course by uploading their Year 11 results and submitting up to three personal statements. **Applications close at 11.59pm on Monday 14 September 2026.**

Visit [ACU Guarantee](#) for more information on eligible courses, applications and offers.

ACU – Guided Tours

ACU will be running guided tours during the September holidays.

Tuesday 22 September [Register at Guided Campus Tour - Ballarat Campus](#)

Tuesday 29 September [Register at Guided Campus Tour - Melbourne Campus](#)

RMIT Student for a Day

Year 10, 11 and 12 students are invited to experience university life at **RMIT Student for a Day**.

On Wednesday, September 30, they will step into the shoes of an RMIT student, choose two hands-on workshops that match their interests and discover what it's like to study at RMIT.

Student for a Day isn't just for students. Parents and guardians are encouraged to come along as well! While students are attending workshops, parents are welcome to an exclusive Q&A panel, featuring leading academics and current students at RMIT, talking about student experience, as well as how AI has changed the way we learn and teach.

We'll also be joined by industry and alumni guests to talk about how their journey through RMIT has led them to where they are today. With all this, plus a free lunch and prize giveaways, students are sure to find something interesting!

[Registrations now open](#) - places will fill quickly so we encourage students to get in early!

Fashion Portfolio Workshop

Encourage your Year 12 to build their confidence and skills at Swinburne's free Fashion Portfolio Workshop. They'll learn how to plan, develop and present a portfolio that showcases their creativity and design thinking, with guidance on what universities look for. Through hands-on activities, students will explore visual research, concept development, fashion illustration and material experimentation while creating their own portfolio piece. They'll also discover how to demonstrate their creative process without needing to produce a final garment.

When: 10am–12pm Tuesday 22 September (check in from 9.30am)

Where: TB225 Swinburne Hawthorn campus

Students must bring a laptop. Catering provided.

Nursing – Division 2 (Enrolled) Diploma Courses in Victoria in 2026

Division 2 or Enrolled nurses are trained with the full spectrum of nursing qualifications, and these skills include communicating with patients, working in a team, medication, and clinical nursing duties. These nurses are able to implement and monitor patient care, administer medicines, comply with infection control and work, health and safety policies, perform clinical assessments and contribute to planning patient care.

To become an Enrolled nurse, one must complete a Diploma of Nursing. **The VCE entry requirement for the diploma is usually a Year 12 pass.** On completion of the course students will be eligible to apply for registration as an Enrolled Nurse with the Australian Health Practitioner Regulation Agency (AHPRA) or go on and do further study to become a Registered Nurse. Note: The Diploma of Nursing is currently listed as a [Free TAFE](#) course in Victoria.

- CQU Melbourne offers a range of [courses](#), including in business. Of particular note, is the [Bachelor of Medical Sonography and Graduate Diploma of Medical Sonography](#).

Upcoming Events, OPEN DAYS and Opportunities

Collarts Open Day 2026, Melbourne

Organisation: Australian College of the Arts

Location: Collarts, Melbourne Campuses

Date: August 29, 2026

At Collarts, our Open Day is all about making this process simple and hands-on. Information sessions, workshops and the chance to chat with students, teachers and leaders are an important part of learning more about what sets us apart from the rest.

We invite you to come and experience life at Collarts: from our passion for creativity, close community, industry-level facilities, expert faculty, and more.

From guided tours to live demonstrations, here are some of the activities you can catch at the next Collarts Open Day:

- **Guided tours:** Experience our campuses firsthand with guided tours led by our enthusiastic Student Ambassadors.
- **Info hubs:** Our info hubs provide convenient drop-in spaces where you can have direct conversations with Program Leaders, Academics, and students about your desired course.
- **Demonstrations:** Demonstrations are your chance to see our course content come to life. They allow you to be actively involved in projects and see our cutting-edge equipment in action, so you can get a firsthand preview of what studying at Collarts is really like.
- **Displays:** Our campus displays are positioned throughout different areas of our campuses, offering a showcase of our community's achievements and journeys.

If you have specific accessibility needs or require additional assistance, please contact Collarts in advance, and they will do their best to assist you.

Chadstone Careers Expo 2026

Organisation: Chadstone

Location: Vicinity Tower One Lobby

Date: September 2, 2026

Chadstone and Holmesglen Institute are excited to host a Careers Expo to promote employment opportunities at Chadstone.

These companies will be present on the day to meet with candidates and talk about current job opportunities. Keep in mind the list isn't final and may change, so stay tuned for updates!

Who should attend

Open to job seekers aged 15+ who are legally permitted to work in Australia: students, school leavers, graduates, career changers and experienced job seekers are all welcome.

Event details

The event will be held in 2 bookable sessions:

Session 1 – 1:30pm to 3:00pm

Session 2 – 3:30pm to 5:00pm

Venue: Chadstone Shopping Centre, Vicinity Tower foyer (LXD Lounge)

Can't interview with everyone in person?

Use our Digital Resume Submission Wall to scan the QR codes on the day to submit your resume directly to participating retailers you're interested in.

Want a sneak peek of what to expect? Just Google 'Chadstone Career Expo connects retailers with job seekers' to check out highlights from last year's event!

Get retail ready

The Holmesglen Employment Centre team will be running a free online workshop on Interview Techniques and Resume Writing on Tuesday, 25th August to help you become retail ready and boost your confidence for the Expo. **Bring your resume along on the day, digitally or in hardcopy. As this is a real interview opportunity, business or professional attire is required for entry, besides school uniform.**

Mission Control at Parliament House for Year 7-12 Students

Organisation: Australian Space Agency

Location: Parliament House, Parliament of Victoria

Date: September 16, 2026

The space sector is set to triple in size by the year 2028 and will have a role in many diverse industries including agriculture, meteorology, precision mapping and health. What industries would it take to make Mars our home?

In this program, students will think critically about the skills and knowledge needed for a successful mission to Mars. After debating and voting on industries to send on the mission, in a way that mirrors Victoria's parliamentary process, they will work collaboratively to complete a hands-on design challenge as they consider how to sustainably power operations, feed the population, and communicate across the far reaches of space.

This program is a collaboration between Science Gallery Melbourne, Australian Space Agency and Parliament of Victoria. [Find out more](#)

Camp SEEK 2026 for Year 9-10 Girls & Non-binary Students

Organisation: SEEK

Location: SEEK HQ Melbourne

Date: September 21 to September 24, 2026

Camp SEEK is a four-day immersive daily learning program for Year 9 and 10 girls and non-binary students. Spend four action-packed days at SEEK HQ in Melbourne learning about careers in technology, developing coding, design and product practical skills, exploring real-world problem solving and pitching with your fellow Camp SEEKers.

The technology industry is not as diverse as it could be. There is a shortage of women and non-binary talent in STEM school subjects, at the tertiary level and in the workforce. As a leading technology company, we champion diversity within our industry and our own talent pipeline, and Camp SEEK is one of our favourite, and most fun, programs. It is designed to increase the number of girls and non-binary students who choose to pursue a career in technology.

Participants must be currently enrolled as a high school student in Year 9 or 10 in Australia and have not completed the Camp SEEK program previously.

Organisation: SAE University College

Location: SAE University College, Melbourne Campus

Date: October 3, 2026

This October school holidays, SAE University College Melbourne is opening its doors for Create for a Day: a one-day, hands-on experience where you'll step into the studio, lab or production space and start creating.

Choose from:

- Animation
- Audio
- Computer Science
- Film
- Games
- Songwriting & Electronic Music Production
- VFX

Create for a Day lets you skip the textbooks and jump straight into building, recording, designing, coding or filming, all guided by lecturers who work in the industry.

By the end of the day, you'll walk away with your own finished project and a certificate of participation, plus a clearer idea of what studying at SAE is really like and where your skills could take you in the future.

Open to students in Years 10-12 and young creatives up to age 21.
