New Sport and Recreation Management Degree

Learn how to manage and deliver community-based sport and recreation services and programs.

Commencing this year, La Trobe has introduced the *new Bachelor of Sport and Recreation Management*, a 3-year degree being offered at the Melbourne Campus in Bundoora. The focus of the degree is to equip students with skills and knowledge on how to provide a range of experiences and community events that drive physical activity, community development and general wellbeing outcomes for individuals and communities.

Students will develop an understanding of sport and recreation management and policy, needs assessment and evaluation, planning and programming, service delivery, community engagement and how to work with volunteers. 75% of the course is based on core subjects, with the remaining 25% based on a range of electives from university-wide electives, or electives from other interest areas or disciplines.

Students will also complete 200 hours of industry placement with leading sports and recreation organisations, and gain leadership skills through hands-on learning and industry connections.

The VCE entry requirements are Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL, as well as an ATAR.

Find out more at [Bachelor of Sport and Recreation Management](#).

Bachelor of Design (Digital Media)

With a clear focus on design, the Bachelor of Design (Digital Media) offers you the opportunity to explore diverse aspects of media and gain a strong digital media literacy.

Students develop a digital media design specialisation in interactive media, digital video, digital sound, or digital environments, combining theory with practical industry-based knowledge.

Students explore how digital content can be planned, produced, applied and integrated.

Graduates of this degree can expect to work in a variety of professional roles, including:

- web and interactive design
- user experience design
- app and mobile design
- visual effects
- motion graphics
- sound design
- digital production
- digital environment and production design.

Find out more at [Bachelor of Design \(Digital Media\) at RMIT University](#).

Bachelor of Social Work

Are you passionate about improving the lives of children and families and helping to build strong communities for current and future generations?

The Bachelor of Social Work is available for study at Fed Uni's Berwick and Gippsland campuses in 2026. This course has been co-designed with local partners to address this specific skills shortage. Students will participate in 140 days of placement, during which they will be exposed to challenging real-life situations in social work settings.

Experienced professionals in the field will support students every step of the way. They will become confident working with children and families, people of diverse cultural backgrounds and gender diversity. Students will also learn to work effectively with people with substance use issues and mental health problems and in palliative care, child protection, youth services and much more.

Career in the Australian Border Force (ABF)

The ABF regularly recruits for **Entry level - Border Force Officers**. The Border Force Officer Recruit Training (BFORT) program is an entry level program, which prepares applicants for a career in the Australian Border Force (ABF).

The ABF undertakes varied and challenging work and is looking to attract people with a wide range of skills, capabilities and experience. People are encouraged to apply if you want to:

- play a critical role in protecting Australia's border,
- be part of a diverse workforce that represents the community the ABF serves,
- are willing to commit to the ABF values and behaviours,
- maintain a high level of integrity and professionalism.

To apply for a Border Force Officer Recruit position applicants must:

- be an Australian citizen - you must show evidence of this during the recruitment process,
- be 18 years of age or older when applying,
- have a minimum Year 10 Certificate with a Cert IV/Diploma level qualification or Trade Certificate and/or relevant work experience,
- be able to obtain an [Australian Government security clearance](#) and an [Employee Suitability Clearance](#).

Working for the Australian Border Force (ABF) provides the opportunity to work across the country or the world. Recruits will be on the front-line protecting Australia's border, whether it be:

- processing passengers at an air or seaport
- clearing cargo at an air or seaport
- clearing mail at a clearance centre
- patrolling the Australian coastline in an ABF vessel
- working at a district office
- investigating illegal border activity
- working at a detention centre
- locating and detaining unlawful non-citizens.

The ABF typically advertises BFORT positions several times per year, however this can change due to operational priorities. For eligibility requirements and how to apply visit the [Border Force Officer Recruit page](#).

Students are encouraged to browse [Entry level - Border Force Officer Recruit](#) to learn more, including salaries, etc., and to keep updated about when applications will next open.
