➤ **The Future of Cyber Security**

Cybercrime is an increasing problem in our digitally connected world. The rapid growth of cybercrime has created unparalleled opportunities for those with cyber security expertise, with jobs in the Database & Systems Administrators & ICT Security sector predicted to increase by 38.9% by November 2026 according to Australian Government data.

Job roles in this specialised field of IT include - information security officer, security administrator, cyber security consultant, cyber security analyst, penetration tester and many others.

Many industries are realising the importance of cyber security, and a degree in cyber security can lead to employment in diverse areas across private and government sectors. Deakin's courses are industry-specific, so students graduate with up-to-date knowledge of the issues important to the industry – like implementing security technologies to protect against hackers or developing IT security solutions. Students can undertake an internship and complete industry cyber security certifications as part of their course. This means they can stand out to future employers and be ready to take advantage of the significant increase in jobs in the field.

Paramedicine Degrees in Victoria in 2025

The Good Universities Guide states that *paramedics provide pre-hospital emergency care, treatment and specialised transport for patients* - [Good Universities Guide - Paramedic](#).

*Working as an ambulance paramedic means that no two days are ever the same. What a paramedic does can be as varied as restarting a patient's heart down to helping solve social welfare issues. Ambulance paramedics are called when people feel they have no other options and are suffering what feels like an emergency to them. An interesting fact to remember when applying to become a paramedic is that the majority of the workload is not lights and sirens driving to save a patient's life. **This job is more about helping people in their time of need as opposed to being a hero.***

Visit [Ambulance Victoria - Types of Paramedics](#) to find out more.

Students should note that to work with Ambulance Victoria, they must be a citizen of Australia or New Zealand, or be an Australian Permanent Resident, and they must also hold a full driver's licence or have held a probationary licence as P2 for at least a year - [Ambulance Victoria - Careers](#).
